About VNS Health

About VNS Health

For more than 125 years, VNS Health has led the way as an innovator in home and community health care. We apply our expertise, compassion, and commitment to provide and manage care for millions of individuals who want to live, age, and heal where they feel most comfortable – in their homes, connected to family and community.

Why join the VNS Health team?

At VNS Health, we work every day to revolutionize health care in the home and community. We're committed to meeting the needs of New Yorkers for over 130 years through home- and community-based health care. Together, we make a difference.

CRAIN'S 2024 best places to work in NYC

And in 2024, our Health Plan was named to Crain's "Best Places to Work in New York City" list.

What Sets Us Apart

- VNS Health offers care for each stage of life – whether you need maternal care, senior care, or care somewhere in between. In 2021, more than 900 of the people in our care were more than 100 years old!
- VNS Health has been at the front lines of public health since our founding. By working in homes and communities, we make care accessible.
- VNS Health celebrates the diversity of our New York community and our care teams. Our team members speak more than 50 different languages.

Our Community Impact

In 2021, VNS Health provided more than \$51 million in charitable care and community benefit programs.
