

VNS Health TODAY: Fall 2022 Issue

VNS Health has made great strides as an organization in 2022, especially towards the end of the year. Some of our achievements include being awarded a NYC contract to provide home health aide services in Brooklyn, launching a new app to improve the patient experience when receiving services from a VNS Health HHA, nurse, social worker, etc., and opening new community centers in Brooklyn and Queens. Learn all about these and more in the Fall 2022 Issue of VNS Health TODAY.
